Welcome to KAVI YOSIC

In 2016, KAVI set out to reinvent summer camp to provide youth with positive and fun experiences that build confidence, strengthens self awareness and allow youth bring innovative problem solving to issues that plague the communities in which they live.

The centerpiece of YOSIC is activities that excite and engage youth, giving them an opportunity to be proactive in providing solutions to violence. Whether learning about restorative practices, discovering arts and culture or exploring the best of New York City, KAVI YOSIC offer an opportunity to build a sense of community that will last beyond the summer.

Our staff go through rigorous training to ensure the safety and positive experience of each child.
